Services and products

Full-risk Medicaid managed care services

AmeriHealth Caritas has a variety of programs and capabilities to meet the medical and social needs of underserved populations. Current capabilities include management and administrative services necessary to operate a state-of-the-art Medicaid managed care organization.

Dual-eligible products

AmeriHealth Caritas offers specialized Medicare Advantage dual-eligible special needs plans (D-SNPs) and Medicare-Medicaid plans (MMPs). Our approach integrates proven, established care management, preventive services, and other programs that effectively coordinate care for aged, blind, and disabled individuals.

Health Insurance Marketplace

AmeriHealth Caritas Next offers affordable health plans in the North Carolina Exchange to connect members with whole-person care for today, tomorrow, and whatever comes next. To learn more, visit www.amerihealthcaritasnext.com.

Behavioral health services

Founded in 1995, PerformCare is a national behavioral health managed care organization that helps health plans and customers provide comprehensive behavioral health management strategies and solutions to optimize clinical outcomes, maximize efficiency, and integrate services. For more information, visit www.performcare.org.

Pharmacy benefit management

PerformRx, LLC, a clinically focused pharmacy benefit manager, has provided best-in-class pharmacy benefit management services since 1999, including formulary development, drug therapy management, and rebate management, and in 2014 launched a full-service specialty pharmacy, PerformSpecialty. PerformSpecialty is PerformRx's wholly owned and integrated specialty pharmacy. For more information, visit www.performrx.com.

Specialty pharmacy

PerformSpecialty LLC is a full-service specialty pharmacy dedicated to providing complete pharmaceutical care throughout the patient journey. PerformSpecialty's approach provides high-touch care and programs to help patients achieve the best outcomes. PerformSpecialty is licensed nationwide.
